

READINGS IN THE COURTYARDS

The initiative to hold readings in the town's courtyards, besides promoting a cultural dialogue between France and Italy, aims at involving Cherasco students, giving them an opportunity to demonstrate their own talents. Young students read fragments of 19th century works - poetry, essays or novels, in Italian and in French.

The readings are accompanied by music (in collaboration with the Music Conservatory).

Venues:

- Auditorium piazza;
- Courtyard of the Vittorio Veneto Restaurant;
- Courtyard of Hotel Mazzarino.
